Dear Eric:

Last Friday I got my beautiful red chariot back, looking brand new and proudly shining in the sun. How thrilled I was to have my "baby" again and I proudly — and, yes, carefully drive her again. You and your staff did such a fantastic job and I sincerely thank you for a professional, prompt and fairly priced job. For years we've known how good you were but this job was perfect! Thanks to each and every member

of the company for always  
being there for all of us -  
what would we do without  
you?!

Thanks and best wishes  
to all!

Sincerely,

Jeanne Young
